

## IT SUPPORT OFFICER

---

**Stratatel Limited** is an Australian publicly listed organisation established in 1997 to provide specialised software solutions for asset, expense management and cost recovery. Our products are designed to maximise efficiencies, reduce expenses, recover costs and ensure policy compliance is met in order to achieve corporate governance requirements.

### The Position

We are seeking an experienced IT Support Officer to provide primary IT Support in the Head Office based in St Leonards.

### Minimum experience includes:

- Small business Server Support
- Infrastructure Support
- Network support

### Desirable experience includes:

- Software support
- IP Telephony support

The successful candidate will need to be able to work autonomously in the execution of their role and with senior management in designing and implementing IT strategies for the business.

Strong written and verbal communication skills and being a team player will come naturally to the successful candidate.

**Remuneration:** Negotiable, depending on experience

Please send a covering letter with your CV to [judys@stratatel.com.au](mailto:judys@stratatel.com.au)

**Applications close:** 23 November 2009
